Product Specification Sheet

Targus Laptop Wireless Presenter

Part #: AMP02US

Product Description:

The Targus Notebook Wireless Presenter with cursor control just made presentations a lot easier. With convenient wireless multi-tasking features, the device offers effortless mouse capability and presentation controls with a built-in laser pointer. The factory-paired presenter and receiver connection enables true plug-and-play and requires no driver installations. 2.4GHz wireless technology provides freedom for effective presentations up to 50 feet/15 meters. The small, lightweight design is perfect for in the office and on the road presentations.

Retail Part #: PAUM30U
